

Phillips Academy Boys' Swimming and Diving Defeats Choate: 102-81

After only five full practices, the members of the Phillips Academy Boys' Varsity Swimming & Diving Team began the program's 106th season with many remarkable performances: out of 39 swims, 18 were all-time personal best in-season times! At the final meet of the regular season, a team is typically satisfied to have a 46% success rate, so this bodes well for Andover's eventual journey to this year's Eastern and New England championships. In addition, Andover's rookies—Yubo Jin '21, Marcus Lee '21, Zack Peng '21, and varsity-rookie Andy Xu '19—all displayed their ability to contribute significantly to the team now and in the future.

In the team competition, Andover found itself outscoring Choate 102 to 56 at the end of the 100 Backstroke, so the team opted to swim non-scoring exhibition in the final two events of the day.
